Opis produktu

Moduł rozszerzenia Goggles X Extension Board

Moduł pozwala na zamontowanie odbiornika analogowego do Goggles X

Note

- **If you buy a Goggles X after October 2024, you will need to pay for the external module if you need it. Normally, when using analog functions, you need to use an analog receiver bay, and the external module can do just that; if you only use the head tracking function, the new Goggles X already has this function.**
- If you need to upgrade, you need to purchase an upgrade cable separately.No upgrade required at this time
- Regarding the 3.5mm audio cable, if you don't have it, you need to buy it separately.

Packing List:

Extension Board	x1
1 to 2 Power Dord	x1
Power Cable	x1
