Opis produktu

Plecak Torvol Quad Pitstop Backpack Pro V2 Purple

GENERAL CHARACTERISTICS

- Easily carries 4 race quadcopters and all equipment necessary for your drone flight; goggles, transmitter, LiPo’s, tools and more.*
- Torvol’s PITSTOP area: The Torvol smart zipper transforms the backpack into a portable workspace to adjust and modify your drone racing material quickly and effortless.
- Multiple organizer pockets and dividers which makes it highly customizable. There is ample space for your FPV gears and personal belongings. Larger items like a tripod and a foldable chair can be strapped to the outside.
- Laptop pocket on the back which holds and protects a 15-inch laptop and a charger.
- An expandable rain cover integrated at the bottom
- Thick back padding and a hip and sternum strap ensure comfort and convenience while traveling to your race.
- Torvol’s CLEANSEAT keeps your pants neat on any outdoor space.

WHAT’S NEW

- Split back padding for additional comfort.
- Secret back pocket to keep your most important belongings stored safely.
- Additional frontal loop to adjust your quad straps as desired.
- Now available in different colours: Torvol Green, Black Stealth, and Purple.

**** LiPo Safe Bag is not included***

***** Nametags are available for Pitstop Pro/ Pro Stealth/ Pro Xblades***
