Opis produktu

Rama 5 Cali HGLRC Sector D5 FR

Features:
*Replaceable arms for quick disassembly without taking apart the whole frame
*A fixed power outlet for convenience and protecting your power cable from cutting by propellers
*Dust-proof straps covering both sides to better protect your rig and keep them clean
*CNC aluminum side plates combined with 3D printed parts to make your drone look dope!
*The Sector D5 optimized body aluminum parts for DJI O3 VTX and with the print fixing method,the lens is fixed by the print to effectively reduce low-frequency vibration, enhance shooting stability and reduce in-flight video jelly.
