Opis produktu

Time to Make your Drone Looks Sweet
BETAFPV and Gemfan together launches these efficient and juicy looking props this time.
Besides the BETAFPV's classic blue color, you can find totally different, juicy and fresh color in these props.

There are two options available: Blue (4PCS) and MultiColor (16 PCS)

These Gemfan 40mm props are efficient and they have shaft holes of 1.5mm. So it could fit the 110x motors perfectly. They are the stock props for Beta75X 2S Whoop drone. Washout problem on the 75X almost solved with these propellers.

Recommended frame and motor that could fit these props.

- Beta75X Frame
- 1103 11000KV motors
